

Survey Form

As we are now about to install NMBU clients on computers at Campus Adamstuen, the IT-department require some information regarding your computer.
We hope this information will make the transition as easy as possible for you as the end user as well as for us at the IT-department. In addition to this form you will be provided with additional information.

We would like you to backup / copy all of your personal data. Backups should preferably be put on the server (Z :)
If you or your department have software not included in the default^{*1} NMBU software package, we would like you to describe this as detailed as possible.
Provided the software is available on CD/DVD, locally on a computer, server etc. please specify the location or include the CD/DVD with this form.
If you have questions regarding this form, please contact the IT-department at it@nmbu.no

Please fill in this form, and place it next to you computer.
