

## Using URKUND in Canvas - Setting up an Assignment

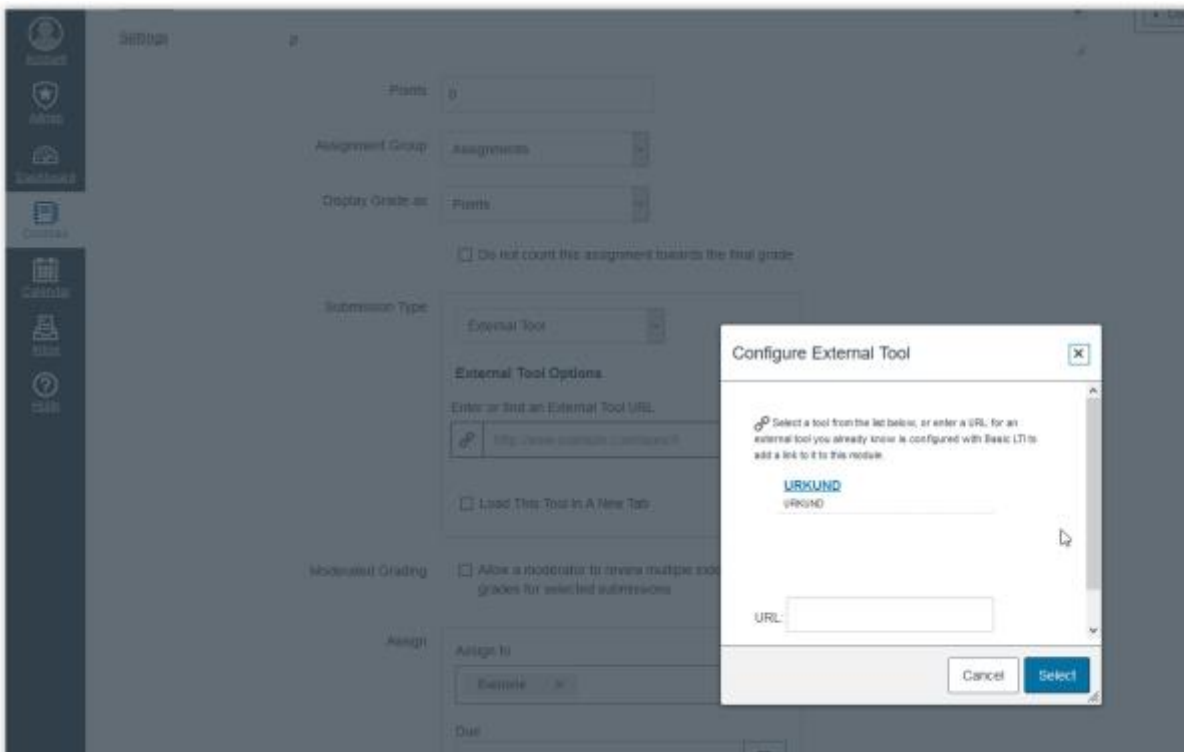

1) In Course/Assignment, select "+Assignment"

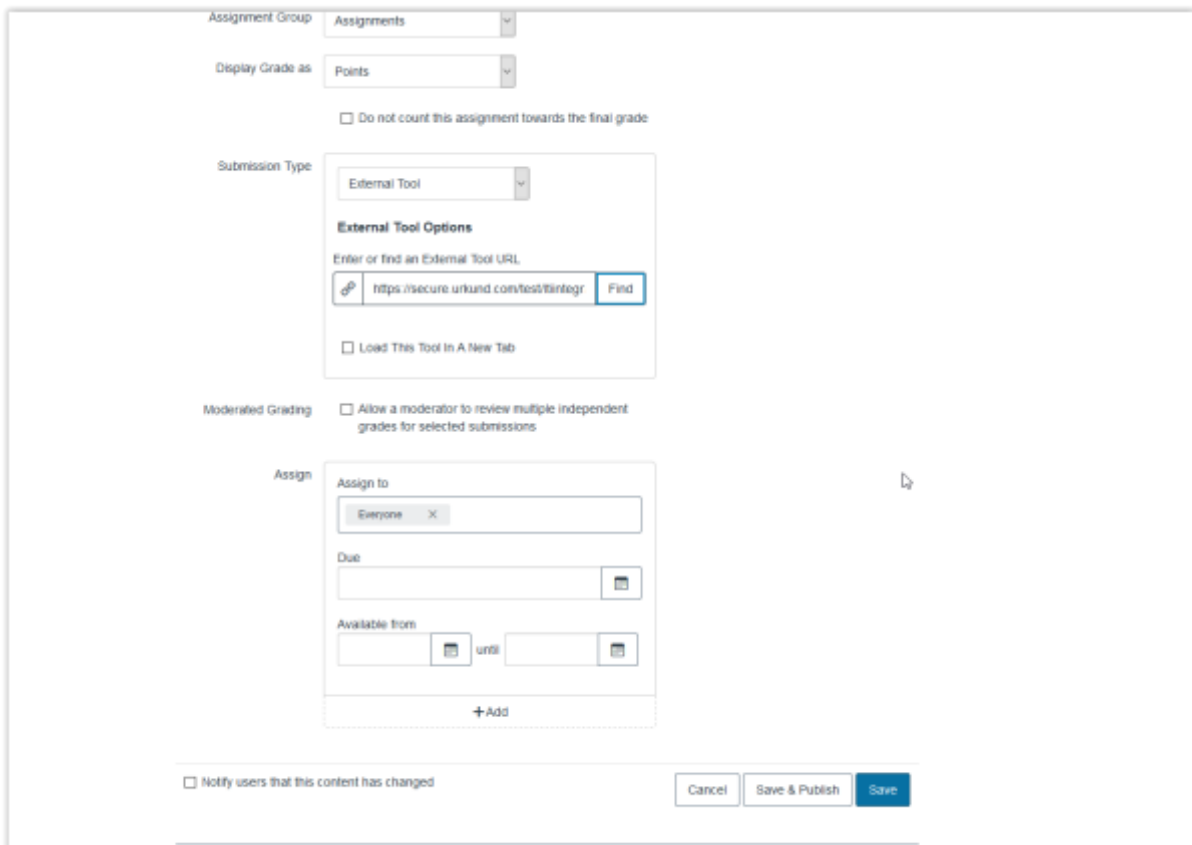

2) Complete the assignment settings, then change Submission Type to External Tools

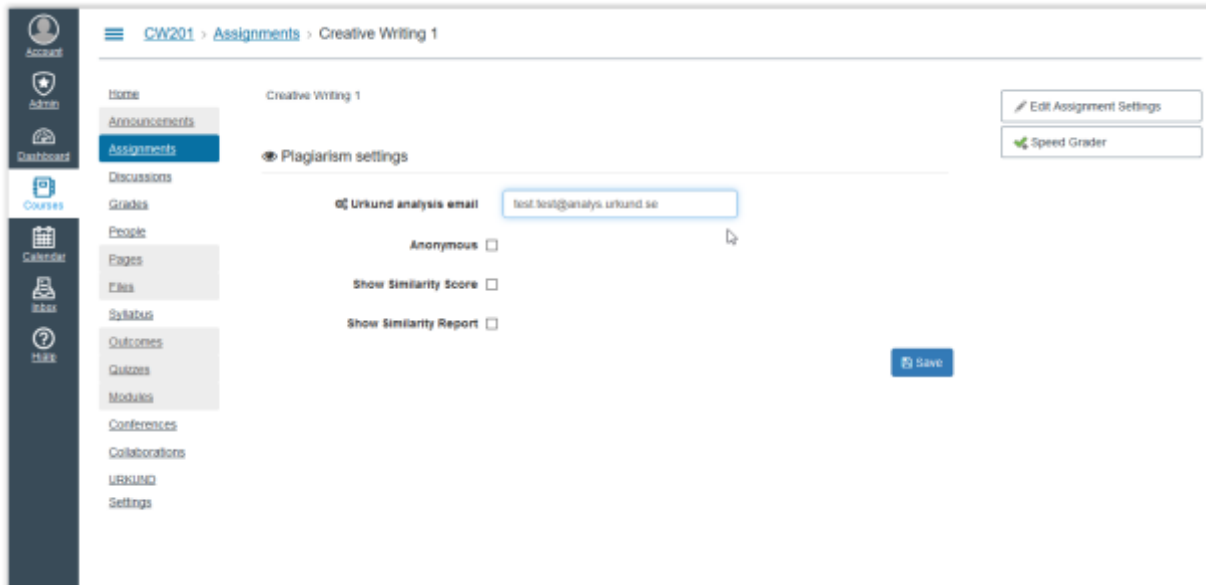

3) Click URKUND in the list and press SELECT.

4) When the assignment is ready, press SAVE

5) Select preferred settings and click SAVE. NB "SAVE" **must** be clicked before leaving the page.

6) Done! If you do not want to use Group Assignment or/and Peer Reviews, press PUBLISH. If you do want to use these Canvas tools, press EDIT. You can now edit the assignment as if it were a normal Canvas assignment.
